Description

Front-row ocean living — make this coastal dream your own.Perfectly positioned at the end of a quiet cul-de-sac, this older coastal home enjoys an extraordinary front-row setting, where uninterrupted ocean views stretch endlessly ahead, framed only by natural fynbos and the ever-changing colours of the sea. With no homes in front of you, privacy and a deep connection to nature define this remarkable position.This is a place where life slows to the rhythm of the waves, where mornings begin with fresh sea air and evenings are spent watching the sun dip below the horizon. The home offers generous living spaces that open toward the ocean, with a sheltered stoep and patio designed for relaxed coastal living, entertaining, and creating lasting memories with family and friends.Rich in character and solid in structure, the property reflects its history as a cherished family retreat. A woodburning fireplace brings warmth and comfort during cooler months, while spacious bedrooms provide peaceful sanctuaries, some capturing the beauty of the ocean from both levels.Set on a generous erf in a peaceful, low-traffic street, this is a rare opportunity to secure a true oceanfront property in one of Onrus’s most special locations. Whether you choose to preserve its timeless charm or reimagine it to reflect your personal vision, this home offers the perfect canvas to create something truly your own.Make your dream of owning an oceanfront home a reality — and shape this special place into the coastal sanctuary you’ve always imagined.
