

Hamptons International Interior Solutions

*From the inside out we
have a solution for you.*

Interior Solutions

We show potential buyers and tenants around properties every day, we know that appearance affects value. Whether you are selling or letting, it's worth investing in the presentation of your property, right down to the finer details.

Hamptons International's Interior Solutions team offers a comprehensive range of services designed to transform and refresh your property to maximise it's value or attract the best tenants.

We offer:

- A complete refurbishment service from simple redecoration projects to refurbishments of large properties including kitchens and bathrooms
- Furnishing packs and bespoke solutions for rental and sale
- House Doctor

For owner occupiers, our service takes away the inconvenience and removes the stress of managing and coordinating tradesman yourself.

Refurbishment Service

A complete refurbishment service from simple redecoration projects up to refurbishments of substantial properties. Our service will offer the relevant advice on space planning and design that is required within the refurbishment process. From an initial site visit through to the finished product we will tailor the service to meet your own specification and requirements.

- Complete refurbishments
- Exterior renovations
- Loft and basement conversions

These services are also perfect for the overseas client who requires an experienced refurbishment manager to oversee the project, providing peace of mind.

Hamptons Interior Solutions team offers a comprehensive range of services designed to transform and refresh your property.

will tailor the service to
meet your requirements.*

Furniture Solutions

Once the refurbishment project is complete you may wish to complete the look with a bespoke furniture package. Our stylists know what works and how best to show your property, creating aspirational interiors for both private vendors and investors.

Our packages are available to buy and rent.

- Rental packages start from £275 per week based on an 8 week rental period
- Purchase packages start from £3,995

House Doctor

Our team of 'house doctors' will be able to identify any weaknesses in the overall appearance of a property, inside and out, providing expert advice on how best to maximise its potential to attract a broad range of potential buyers.

Through consultation we can advise on de-cluttering, space planning, redecoration and dressing.

In the current climate this is an invaluable service for maximising the potential sale or rent.

One day consultations start from £250.

New Developments

Aimed at the investor, our New Development Service offers a complete package to ensure your property stands out from the crowd with the look and feel necessary to attract a high calibre of tenant.

Snagging Service

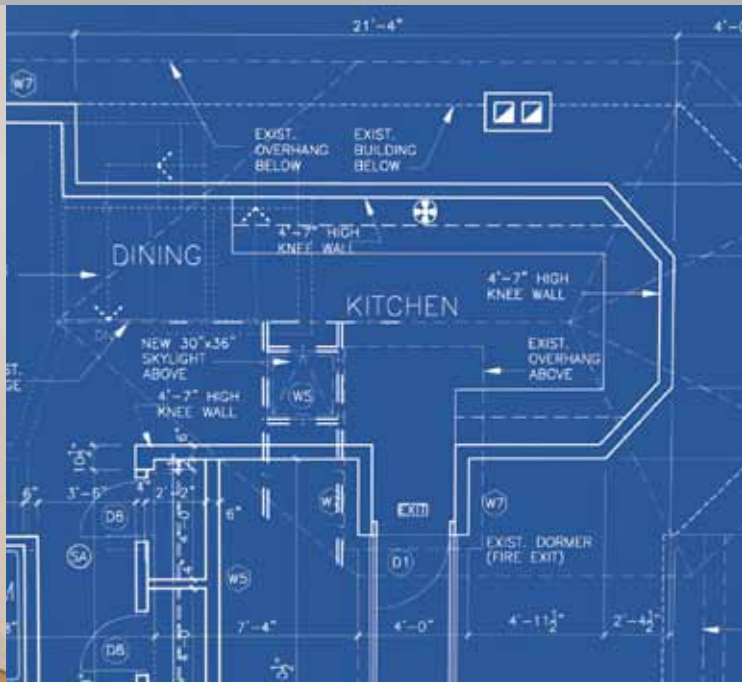

We will professionally inspect your property to make sure obvious defects are recorded and reported to the developer for when you complete your purchase.

Furniture Packages

We are able to offer practical solutions aimed at the investment landlord. The service includes design, delivery, styling and cleaning from £3,995.

Lettings and Management

When your property has been cleared of defects and furnished our lettings team will be able to assist you with the letting and management of your investment.
