Description

A nicely renovated three bedroom property close to Kassiopi, with lots of traditional features.Situated in pretty countryside yet still within easy walking distance of Kassiopi village, the property is located up a little drive that leads to a terrace of four houses. This house is the second in line and has been tastefully and carefully renovated. The front door leads into a spacious room which is currently used as a bedroom and sitting area, with pretty windows letting in plenty of light. There is a shower room located also on this level. Stairs lead up to the first floor which has lovely old wooden floors and traditional wooden ceilings, not often found in such good condition. A comfortable sitting room and dining room is on this level, with the galley kitchen at the back and family bathroom. Two double bedrooms are located at the front of the house, with views across the trees and out to sea. The kitchen exits out to the terrace at the back of the house, which has plenty of space for outdoor dining and possibly even a jacuzzi. The property also has its own designated parking spot at the front of the house.
