Description

Beautiful single level home in secure estate with guest suite.Imagine weekends in Waterford County Estate: the braai going, friends gathered under the big covered veranda, and nobody in a hurry to leave. Rain or shine, this is where you'll do your best relaxing and entertaining. The home is all on one level, 159m² under roof, so there are no stairs to worry about. There are five bedrooms, with an en-suite in the main for a bit of privacy at the end of the day. With a separate dining area already in place, you won't lose any living space either way.The real highlight is the separate guest suite with its own private entrance. Visiting family can come and go without anyone feeling crowded. It would also make a great teenager's hideaway, a home office or a space for a family member who wants their independence. Pets are welcome too, with the estate allowing two small dogs (below knee height). On hot summer days, the estate pool is close by, giving you all the fun of a swim with none of the maintenance. Add a single garage and a convenient Waterfall location close to schools, shops, and the rest of the Upper Highway, and you have a home that works for the whole family.
