## **Description**

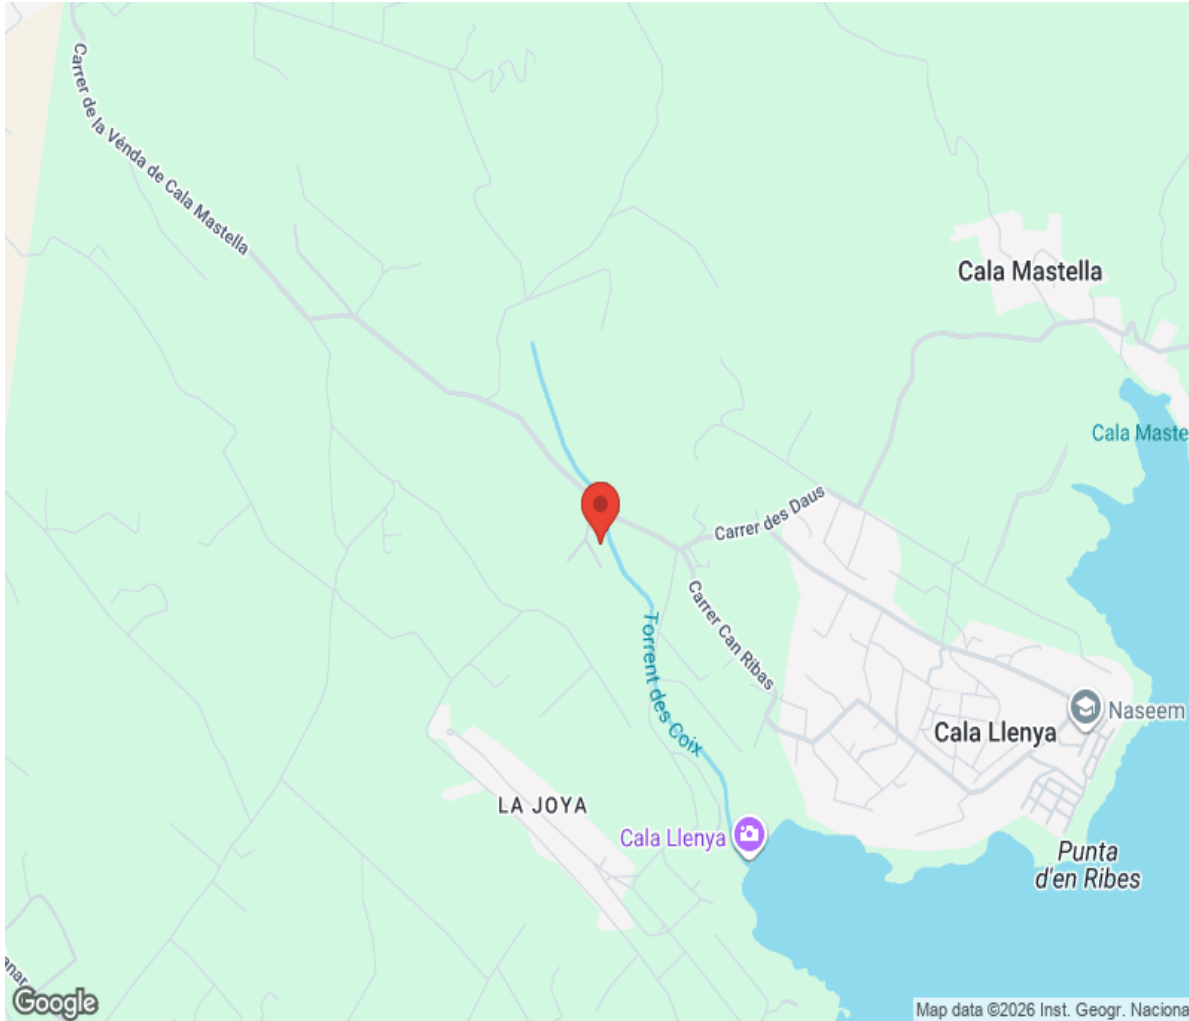

These beautiful modern villas are to be nestled in a residential complex in walking distance to the beach with completion estimated for 2025. The stylish residence project consists of five independent villas, of which four are still available - these range in price from €2.460.000 to €2.890.000. The villas are gated and wonderfully presented, tastefully decorated and landscaped. The properties are within short driving distance of San Carlos and also very close to Santa Eulalia, as well as the many fabulous beaches of northeastern Ibiza.
