Description

This lovely modern building is to be developed next door to Cala Llenya and very close to the village of San Carlos and many other breathtaking beaches. The building project comprises three floors, including two penthouses with rooftop swimming pools and two apartments with gardens on the ground floor. Prices of the available units range between €900.000 and €1.155.000. This is at once a safe investment and a fabulous beach home in one of Ibiza's best loved residential areas.
