Description

Exclusive listing . This impressive historical chateau implanted in the middle of its land, situated near the cities of Bourges and Vierzon will transport you in a magical setting totally free of nuisances less than 2 hours from ParisThe chateau was built in 1893 by the demand of the Marquis de Bozas by the architect Albert Thomas..He created a court yard with the chateau at the back surrounded by two gorgeous pavilion (former stables and orangery) At the back of the chateau a monumental staircase leads to a terrace facing the park embellished by a basin in the spirit of the gardens of the chateau de Versailles.The chateau was entirely renovated and decorated by a famous American interior decorator with great respect of the original features. The ground floor dedicated to receptions is composed of a grand entrance hall (180m²) and vast reception (150m²) ,a dining room giving on to a modern fitted kitchen and several other lounges.An elevator as well as 2 service staircases and the main staircase distribute the upper floorsThe first floor is composed of a series of vast suites with large modern full bathroomsThe last floor is composed of numerous bedrooms and a couple of bathrooms . It's the only floor in need of refurbishing.A caretaker's house situated next to the honor gate, a chapel and a building with 3 apartments complete the property.All on 41ha of closed landPrice ; 8 800 000€
