Description

This apartment is part of a well-maintained apartment block situated right on the frontline in Puerto Pollensa. Set on the pedestrian promenade and within steps of the beach and very close to the marina as well as a variety of restaurants and bars. The apartment is situated on the third floor of the building (No lift). Upon entering we are met by a large open plan living space with an abundance of natural light and from where we get our first glimpse of the beautiful turquoise backdrop. The living space comprises a lounge area, dining area and a fully fitted kitchen. There are three bedrooms: a single guest bedroom and two double bedrooms. A fully fitted bathroom and a convenient guest toilet. Without doubt the stand out feature of the property is the spectacular sea view we not only take in from the living space but also from the fantastic 8m² terrace, the ideal place to watch the world go by.
