Description

A recently refurbished villa in the peaceful hamlet of Santa. This property has been recently refurbished by its current owner and is now a successful holiday rental. Access is via a private road leading to the house, with gates leading into the property grounds. The main house has an open plan sitting room/dining room with fireplace, and a modern kitchen to the side. Patio doors lead out to the covered veranda with plenty of space for both sitting and outdoor dining. Also on this level is a double bedroom with adjacent smaller room which could be used as a dressing area, or kids bedroom. There is also a shower room. An external staircase leads down to the pool terrace, with bbq and dining area to the side. The second bedroom is accessed externally from the pool terrace - there is a double bedroom and ensuite shower room. The separate guest cottage is few steps away from the main house - it has a modern kitchen and sitting area, shower room and double bed. There is air conditioning units installed, double glazed windows and fly screens and solar water heating. Santa combines beautiful mountain scenery with lovely sea views, and is only a short drive (15 minutes) down to Kassiope. A new tarmac road has recently been finished (summer 2023) connecting Santa to the main coast road, making it an easy drive down.
