## Description

A modern house, of unusual design in a convenient location close to Corfu Town, the property is perfect either for permanent living, holiday let - or both, since it has a separate studio. The house is situated about 15 minutes drive from Corfu Town and the airport, with views across village roofs to villages on the opposite hillside. Entry is via wide steps to the upper level with a 'round' lounge with fireplace, dining area, extensive views from the verandas around the exterior, plus an 'atrium style inner courtyard. The kitchen is semi open plan with fitted units. Stairs lead down to 3 spacious bedrooms and 2 bathrooms, plus a separate studio, with independent entrance. The house is in excellent condition, and would make an unusual, comfortable family home, or letting property. The gardens are easily maintained, with space for 2 parking areas, and also for a pool if so desired. Worth noting - the house is just a couple of minutes away from Stamatis Taverna - well known for its high quality food!
