Description

A 2 floor house, currently divided into 2 apartments. The ground floor is complete, and the first floor at the plastering stage. The house is situated on the road from Agios Matheos to Corfu Town, and is walking distance of the village. The house stands in olive groves, just off the road leading from Agios Matheos to Corfu Town. Constructed in 1995 it has 2 spacious 2 bedroom apartments, with the lower one in good, condition, and the upper one in need of completion. Once completed the property would offer 2 very good apartments in a rural location, ideal for someone looking for a home and a letting investment. The village is 40 minutes from Corfu Town and 10 minutes from west coast beaches. It is one of the largest villages in Corfu and has several small supermarkets, coffee shops and tavernas.
