## Description

A spacious family house located in the village of Sidari. This impressive three storey house has views over towards Sidari and the sea in the distance. A private gate leads up the drive to the garage, with outside stairs up to the front entrance. Entering the house there is a large living room and dining room with patio doors leading out to the balconies with the views straight ahead. The kitchen is situated to the side, with a guest WC and a bedroom also on this level. A wooden staircase leads up to three good sized bedrooms, all of which have access to balconies with the view ahead. There are two bathrooms on this floor, one has a bath and one has a shower. The basement consists of the boiler room, and some extra spacious rooms. This part of the house is accessed via a staircase from the middle floor. The outside area is spacious and beautifully cultivated giving it plenty of potential. Additionally, there is an extra piece of land on the right side of the stairs.
