OPEN HOUSE SAT 11-1! Welcome to this fabulous home in the Silverleaf community. This newer home is elegant and inviting as it sits on a preserve lot, with many upgrades throughout the 3-bedroom, 2 bath residence built in 2021. As you enter the double front doors, you are greeted with board and batten walls in the foyer which lead you into the stunning open concept kitchen/living space. The gourmet kitchen showcases a wine bar and fridge with a fabulous chevron backsplash, and a large quartz island with a deep stainless-steel farmhouse sink. The living room and owners retreat features tray ceilings with ceiling fans. Open the floor to ceiling sliding glass door that leads to the patio, which is prewired for a summer kitchen, and has a white privacy fenced backyard perfect for hosting.
