Description

Situated in an idyllic location, this wonderful property epitomizes elegance and sophistication at its finest. Every detail has been meticulously crafted to create an ambiance of unrivaled grandeur. Villa "Lina" an exceptional property for sale in Albisola. Villa "Lina" is a majestic luxury property for sale in Albisola, in one of Liguria's most beautiful locations, with a fantastic position totally facing the sea. This prestigious home, which dates back to the early 1900s, is currently receiving a comprehensive makeover with a careful eye for detail and respect for its original history and architecture, combined with a high quality of construction and the greatest comfort standards. This luxury home for sale offers amazing views, ranging from the crystal-clear blue of the sea to the exceptional beauty of the Ligurian coast. The property features a big private park where you can enjoy complete quiet and seclusion, surrounded by trees and plants with Mediterranean scents and accessible via rustic paths with Ligurian flavor and constructed with elegance and comfort in mind. Villa "Lina" even has privileged direct access to the sandy beaches of Albisola. The interior of the luxury home for sale in Albisola is just as remarkable, with huge spaces that are precisely divided by quality finishes and attention to detail. The home has seven bedrooms and seven bathrooms, all of which are outfitted with modern facilities for a comfortable living environment. There will be an indoor gym, as well as a separate guest house to welcome guests while maintaining privacy. The gorgeous private swimming pool will be an ideal location for cooling off on hot summer days and enjoying a five-star relaxation experience. This Albisola house for sale is a sanctuary of luxury, elegance, and relaxation, ideal for taking in the splendor of the Ligurian coast and surrounding wildlife, with direct access to the water. This exceptional property also includes a convenient garage and multiple parking places. Albisola is a charming seaside town on the Italian Riviera, known for its beautiful beaches and crystal-clear waters. Its proximity to the airports of Genoa and Nice makes it easily accessible to international travelers, making it a great destination for those looking for a glamorous Mediterranean lifestyle. Albisola is a cultural hub since it has everything from fancy restaurants and pubs to boutique shops and art galleries. Albisola offers a relaxed setting with the perfect blend of Italian elegance and modern convenience, whether you're seeking for a vacation home or a permanent abode.
