Description

Amazing domaine in Sarlat : a former 4* hotel, 35 bedrooms, private house, wooden parc and lake - "Amazing... Beautiful!" That's what I said as I crossed the gate. In the heart of Sarlat, out of sights, you'll discover a piece of paradise with its park, lake and hundred-year-old trees. It is magical. The domain includes a former 4* hotel with 35 bedrooms, lounge, bar, reception and restaurant... Swimming pool with terrace and outdoor bar. Everything is perfectly decorated, no work needed; the exotic pieces of furniture give a crazy charm to the place, which is in perfect condition. You also have a private house in stone renovated in the 1990s with 4 large living rooms, 4 bedrooms, a courtyard and private garden out of sight from the hotel. This Domain is an amazing opportunity in Sarlat: hotel, weddings and seminars of course, but also senior residence, aparthotel... Do not hesitate to contact me to discuss further.
