## Description

An exceptional 5 bedroom 20th century stone house with a walled garden and barn in an historic market town - A well-built stone house with marble floors and interior wooden panelled partitions is situated towards the edge of a small and historic market town famous for its castle in the Perigord Vert. The property was built using the finest materials inside and out and structurally extremely sound leaving possibly interior repainting to refresh it. There is a nice sized mature garden that is safe and privately enclosed with a sizeable barn which makes it the perfect property for a large family close to schools and amenities.
