Description

Villa to be completed for sale in Cipressa, just 2.5 km from the sea, situated in a quiet and sunny position with an incredible sea view. This villa is composed of 2 floors of large sizes, is completely customizable, with a large park and a separate dependance. Villa for sale in Cipressa to be completed with amazing sea view. Just 2.5 km from the sea, before the town of Cipressa, we propose a large villa to be completed for sale. Located a few minutes from Cipressa and the beaches, a beautiful villa to be completed is situated in a quiet and sunny position with an incredible 180 ° sea view. The villa to be completed for sale in Cipressa is embraced by a large park composed of perfect, large flat strips that are also suitable for the realisation of a large and suggestive swimming pool. In the high part many olive trees give great privacy, while in the lower part another flat land can be used in multiple ways. The large villa to be completed for sale at Cipressa is composed of 2 floors of large sizes, completely customizable. A beautiful dependance completes this large property.
