Description

Santo Stefano al Mare it's the perfect place to enjoy the famous Ligurian mild climate with its sunny days. This charming property has a suggestive location directly waterfront. Wonderful seafront townhouse for sale in Santo Stefano al Mare. Wonderful and very typical town house for sale in Santo Stefano al Mare, placed in the heart of the oldest part of the village, this lovely house is just a few steps from the sandy beaches, the best restaurant and all amenities. Surrounded by the typical narrow streets named "carrugi" this property for sale spreads into two floors. On the first floor, reachable by a staircase, we find three bedroom and one bathroom. On the second floor we find a living area with a terrace and kitchen, one small bathroom and, thanks to a picturesque mezzanine, another relax area. Santo Stefano al Mare is a lovely village famous for its beautiful beaches, crystal-clear waters, and panoramic views of the Ligurian Sea. With small streets lined with colorful buildings and a gorgeous harbor filled with fishing boats, the town has a delightful, typical Italian air. The gorgeous medieval church, with its distinctive bell tower, is a must-see attraction in town. Visitors can also sample the local cuisine, which includes fresh seafood dishes and delectable Ligurian wines. Overall, Santo Stefano al Mare is a lovely resort that blends natural beauty, history, and genuine Italian charm.
