## Description

A beautifully designed house with infinite views. The location of the property is not far from Almyros, enjoying both privacy and a short drive to the beach and amenities. The views look over to St Spyridon Lake and the sea, and even further to the north villages of the island. Sunsets and sunrises are viewed by just lying in bed! The property is bright and airy with multiple sets of windows and balcony doors. The spacious kitchen has all modern appliances, and the large living room and dining room offers plenty of space for relaxing and entertaining. There are two ensuite bedrooms on the ground floor. A marble staircase leads up to the first floor where there are a further three ensuite bedrooms with access to the sea view balconies. The exterior of the house is vast - a private road leads to the grounds with parking for multiple cars. The swimming pool is located at the rear of the house, with a large pool terrace and shaded seating area. The gardens are laid to lawn and surround the house offering complete privacy.
