GUIDE PRICE

£2,080,000

(€2,400,000)

Description

This breathtaking location is host to a stylish modern home project. Ground floor units offer a beautiful garden and penthouses boast a glamorous roof terrace with gorgeous views. In close walking distance to the beach, wonderful dimensions let in all the beautiful sunlight and fresh breeze from the seaside. Discreet luxury and top quality throughout characterise the exquisite project. The project has a licence in place and the construction works begin in October 2024.
