## Description

An attractive villa in the hills of Agios Panteleimon with beautiful sea views. Situated on the top of the hills of Agios Panteleimon village, this lovely three-bedroom villa offers panoramic views of the island. It is ideal for individuals that are looking for a peaceful lifestyle without being too far from the main town. On the lower floor there is a separate self-contained apartment with a bedroom and a bathroom. This is ideal for visitors, or a little rental apartment. Moving up to the second floor there is a bright and charming open plan kitchen, dining and living room. The kitchen opens out onto a veranda with far reaching views, an ideal spot for your morning coffee! Two good sized bedrooms and two bathrooms complete this level. The swimming pool is located at the front of the house, with a paved area for sunbathing and sitting outside. The garden has olive and fruit trees and lawns that are easily maintained. The property is gated with private parking. This charming villa is ideal either as a summer rental or for a family seeking a forever home in Corfu. The property is a short drive from Acharavi and the beach.
