Corner Of Heaven This is a wonderful property, it greets you by sheer size, as you drive to the last corner of the street and you realize it wraps itself around the bend. As you enter the gates and walk the lawn, the house perches on its foundation, and opens up as you step into the main houses lounge and office area, from here you are led to the kitchen and this is where you are greeted by blue water, the pools beckoning glisten. Here you can rest and restore, the property offers so much more this is an investment property as you have rental opportunity, of 5/6 units available.
