## Description

Spectacular front line house in San Antonio with incredible views of the port of Mahón and its crystal clear waters, without neglecting the panoramic views of the city. The house is in a special and unique location, in a privileged enclave next to a small beach. Facing south, its front terrace is an idyllic place to enjoy the peace and tranquility that such an exceptional location offers all year round. A bright living/dining room acts as a distributor for four pleasant bedrooms (one of them with views of the port), two bathrooms and a kitchenette. The property is completed with a separate room used as a laundry-storage room. Without a doubt a unique property that is well worth a visit!
