Description

Here is a house which will bring joy and pleasure to its future owners, a fabulous place to relax either when you are able to escape to the beloved Island of Menorca for your holidays or if you are lucky enough, to live here all the year round, for this property is equipped for all year round use. Located in the heart of S'Uestra village, just outside San Luis and a few minutes drive from the crystal clear waters of Binibeca and Binisafua. This traditional house maintains the Menorcan features and whitewashed walls. Pleasant deep covered terrace, large garden with swimming pool with changing area, barbecue and a guest annex, plus car parking space. Moving on to the house, built over two floors, the ground floor offers a living room with separate dining area, kitchen with access outside, cloakroom, four double bedrooms and bathroom. Upstairs is the master suite with fireplace, bathroom and terrace, and an additional double bedroom. The property is centrally heated.
