Description

Luxury, newly built villa with three floors, measuring around 500 sq.m in total. Inside features large living spaces, 6 bedrooms, 5 bathrooms and a 3-car garage. Private garden measuring 3500 sq.m, with swimming pool. In a hilly location surrounded by gardens and woods, Villa Loreley is situated a stone's throw from the centre of Stresa, on the west bank of Lake Maggiore. The picturesque location, combined with the mild climate have made the town a popular tourist destination since the mid-1800s. Lake Maggiore attracts visitors from across the world each year, drawn by the natural beauty of the landscape, the magnificent, impressive castles and fortresses that rise up from within it, the islands (as many as 11) and by the chance to do all kinds of sports surrounded by nature. The villa is around an hour's drive from Milan (84 km), Novara (62 km), and Varese (64 km). The nearest airports are Milan Malpensa, 50 km away, and Milan Linate, 106 km away.
