Description

Extensive hotel complex with conference room, restaurant, banqueting hall, spa, 46 bedrooms and 73 bathrooms. Situated between the Monti Sibillini national park and the sea, surrounded by 6 ha of land with swimming pool, 2 tennis courts and a heliport. La Grande Quercia Complex is plunged in the green countryside, halfway between the Sibillini Mountain National Park and the Adriatic Coast (58 km). It nestles in the heart of The Marches, in a lovely and ancient town, only half an hour from Macerata and Camerino. The property overlooks the surrounding landscape and ensures total privacy. It is easily accessible: five minutes to reach the historical centre, while it is just 18 km to enter motorway S77.
