Description

NEW PRICE!! One of a Kind in Wellsley!! So much more than meets the eye!!! A floor plan like no other - Homeowners worked with an architect and added a huge addition which spans all 3 floors of the original structure - plus they added a basement! As a result, the home boasts an incredible gourmet kitchen and expansive composite deck with large family room including a spiral staircase that leads to a luxurious theatre room and paver patio. The Primary suite is now almost 475 SF with two large, separate walk-in closets and a generous primary bath with walk-in shower. Third floor is finished as a bedroom with full bath, and the walk-in floored attic adds an additional 874 SF of storage. Site-finished hardwoods throughout the first and second floors were just refinished prior to list - gorgeous! Brand new carpet on 3rd floor as well. Davis Drive schools and Green Hope HS. See amazing Virtual Tour!
