Description

This exquisite 4-bedroom, 2-bath home at the end of a cul-de-sac in Hidden Lake has been impeccably maintained by the sole owner. The block and stucco split floor plan house boast both formal living and dining rooms, as well as a cozy breakfast nook adjoining the family room. The kitchen is complete with an abundance of cabinetry, a center island, and a convenient closet pantry. The master bedroom features a plant shelf similar to the one in the living room and access to the huge climate-controlled Florida room. Move past his and her walk-in closets into the master bath. Here is a spa-like oasis is complete with dual vanities, a jetted tub, and a separate tiled shower. Two additional bedrooms share the second bath, while the fourth bedroom has engineered hardwood flooring allowing it to be used as office space. The roof and HVAC unit were replaced in 2021 making this home move-in ready.
