Description

This appealing, well-appointed home located in Cedar Grove at the Woodlands has everything you are looking for in a home. This 4 bedroom, three bath, three car garage with a heated pool and above-ground Therapeutic Therma Spa is in ready to move in condition. The open floor concept expands into a beautiful view of the lake, where you can enjoy the wildlife every day. which includes ducks and Sandhill Cranes. The home is tiled with oversized tile and two of the bedrooms have luxury vinyl planking in place and two with tile. The kitchen has solid counters and ample cabinet space with staggered 42" uppers, crown molding, and a huge island. The home has 10' ceilings, 8' doors, and each bathroom in the home also has solid surface counters in place. The owner added crown molding and plantation shutters to add an upgraded look to the home. There is also a paver drive, gutters, and irrigation. The lanai pool area has Storm Smart remote-controlled hurricane screens for added protection to the home. The roof was replaced in 2022, electric shutters in back lanai added 01/2022, and lanai re-screened in 11/2022. Home is located in an X Flood zone. Lane maintenance paid for in HOA fees.
