Description

Stunning luxury new construction home in Brookside designed with attention to detail! Expansive two-story entry leads to open family room and kitchen with abundance of large windows and natural light. Ideal kitchen perfect for entertaining with extensive custom cabinetry, large island, double ovens, spacious pantry, and beverage fridge. Private primary suite with hardwood flooring, dual closets, spa like bath with luxurious shower and free standing tub, connected to large utility room with sink and abundant storage. Exquisite lighting, tile, and quartz blends modern aesthetics with timeless elegance. Tile and wood throughout first floor. 5 beds (one could be used as private office/flex room), 3.5 baths, 3 car garage. Exceptional floor plan with 3 bedrooms on first level; 2 bedrooms upstairs with large game room. Soaring ceilings with high end, designer finishes throughout. Energy efficient features including tankless water heater, upgraded HVAC, and upgraded insulation. Convenient to desirable Midtown Tulsa shopping and dining. Agent related to seller. Completion date end of February 2024
