Description

Nestled within the esteemed Pecan Grove Plantation, this distinguished custom brick residence stands as an epitome of elegance, boasting three bedrooms, two baths, and an attached apartment. The apartment (not included in the primary sqft) itself is a haven of sophistication with one bedroom, one bath, a living room, a full kitchen, and a laundry room. All this gracefully situated on a sprawling 0.77-acre estate. The property extends its allure with an unfinished second level (not included in total sqft), providing an ideal canvas for a capacious bedroom or an enchanting game room, let your imagination lead the way. Within this illustrious neighborhood two private community docks beckon, offering a tranquil vantage point to savor the breathtaking views of the intracoastal waterway. This community is a place of serenity where neighbors convene on picturesque sidewalks, indulge in poolside cookouts and playground festivities, and leisurely observe boats meandering along the waterwayan ideal retreat to call home. The interiors of this magnificent abode unfold, revealing vaulted ceilings, graceful arches, and hardwood floors that weave an intricate tapestry of refined luxury. Spanning approximately 2827 square feet, the residence exudes opulence, boasting a fireplace adorned with custom built-ins that complement the granite accents throughout. The master suite stands as a sanctuary within, adorned with a tray ceiling, a walk-in closet, and a sumptuous bathroom. Further enhancing the property's appeal is a double-car garage with the capacity to house even a boat. Positioned within the premier Pender County School District and in proximity to North Topsail Elementary School. From a community pool, clubhouse, and fitness center to tennis and pickleball courts illuminated by ambient lights, a playground, a game room, and a community day dock on the ICWWthe offerings are both varied and exquisite. Embark on the journey to make this unparalleled residence your own.
