## Description

Located in the heart of Auron, this chalet benefits from optimal sunshine and a panoramic view of the area. This chalet has been specially designed to accommodate an entire family looking to get away from it all and fully enjoy the area, whether in summer or winter. With a living area of approximately 226 m<sup>2</sup>, the chalet extends over 4 levels and offers 6 spacious bedrooms with bathrooms, 2 of which are in the attic. The design of the chalet highlights a living room housing a large living room, a dining room, and a kitchen opening onto a south-facing terrace. In addition to these features, the chalet has a closed garage. Agency fees payable by vendor
