Description

Need a huge garage, RV/Boat garage and a shop? We have all 3, plus a darling rambler AND 2.34 acres of peaceful grounds to enjoy! The thoughtful design of this home has accessibility in mind with zero stairs, ramps in place & safety bars throughout. Updated flooring in kitchen/dining & baths, new vanities & large windows for natural light! Living room has heat pump with A/C, freestanding propane stove, family room w/wood stove & loads of firewood included! All appliances stay, including W/D & a generator w/separate panel. Deck overlooks the serene acreage w/raised garden beds, tool shed & trails to explore. Attached oversized 2 car garage, detached RV garage w/power, + detached garage/shop w/power & loft! Minutes to Trophy Lake Golf Course.
