Description

Rare California Contemporary custom home in Washington Twp. on almost an acre cul-de-sac lot. From the 2 story entry you will find the huge great room that has a wall of windows, and a wet bar. There is also a home office with a cathedral ceiling, custom built in bookcase wall, and a full bath. The first floor primary bedroom has walk-in closet, a dressing room, a full bath, skylights, and a loft. There are also doors to the back deck with a hot tub. The spacious kitchen has a walk-in pantry, plenty of counter space and cabinetry, a spacious eating area that leads to a separate deck. Additional bedrooms on second floor include walk-in closets. In the finished basement you'll find plenty of room for entertaining. In addition, there is a workout room with a mirrored wall. The backyard allows plenty of privacy for the heated in-ground pool and there is also pool house with a half bath. Perfect home for entertaining or simply enjoying your own private space. Conveniently located near dining and shopping.
