Description

In the heart of San Remo, Liguria a rare to find two-bedroom seafront apartment recently renovated. Situated into typical fishermen house dating back to the 18th century. Near to all shops and services. Rare to find two-bedroom seafront apartment for sale in the heart of San Remo, Liguria. Nestled in the vibrant heart of San Remo, this exclusive seafront apartment offers a rare blend of beauty and comfort. Boasting breathtaking views of the deep blue Ligurian Sea, the property stands out for its prime location, which allows residents to enjoy the lively city atmosphere and the soothing tranquility of the sea. Situated into typical fishermen house dating back to the 18th century, characterized by high ceilings that enhance the sense of space and light, the apartment has been meticulously renovated with high-quality materials that highlight its elegance and living comfort. The interior space is thoughtfully arranged to ensure privacy and functionality, featuring two spacious bedrooms and two modernly equipped bathrooms, ideal for providing the utmost comfort to both guests and residents. The large, bright living room opens onto a charming balcony where one can admire the endless sea horizon and breathe in the fresh sea breeze, offering the perfect spot for relaxation and social gatherings. The inclusion of a functioning fireplace adds a warm and inviting touch to the living space, perfect for cozy evenings indoors. The fully equipped kitchen is modern and functional. Less than 100 meters from the apartment, there is the possibility of purchasing city-licensed Garages, on very favorable terms. Alternatively, numerous parking lots in the City offer monthly and/or annual passes. This unique apartment for sale in San Remo is not just a residence, but a lifestyle choice, allowing you to experience the center of San Remo with all its amenities, exclusive boutiques, renowned restaurants, and characteristic cafés, without sacrificing the serenity and unique charm that only a seafront home can offer.
