Description

Rare. Ideally located a few steps from the old village, on flat land of approximately 3200 sqm with an olive grove, this ideally exposed Provençal villa from the 1970s can be discovered at the end of a beautiful alley of laurels. Built mainly on one level around the pool area, this villa offers five bedrooms, two of which are in the main building. A large basement to be converted offers many possibilities (wellness area, wine cellar, family room, etc.). The next owners will enjoy an ideal living environment a few minutes walk from the restaurants and art galleries of the village of Mougins. Modernization works are to be expected. Magrey and Sons, a leading group in the luxury real estate market for over 50 years, is pleased to present this property to you. Our teams are at your disposal to assist and advise you on your project
