Description

Brand-new 3 Bedroom Villas in Exclusive Eco-Modern Community Located in the Mountains of Puerto Plata for Sale
The Villas: Villas SDC
Designed for the trade winds to enter through your door and for the sunlight to warm your heart. For this project, we have created a design where the panorama captivates the atmosphere from any dimension, simple lines lifted to witness the infinite colors of the Caribbean.
- 1,200sqm lot- 3 bedrooms / 2.5 bathrooms + Service room with its own bathroom- Spacious terrace connected to the amenities for outdoor enjoyment.- Optional solar energy system packages.
The Community: Your actively peaceful retreat. At an altitude of 450 meters, on a panoramic stage, surrounded by pristine nature, Santuario del Corozo is born. The first eco-modern real estate project in Puerto Plata.
- Perfect climate, Panoramic landscape & low density- Eco-Modern Community- Santuario Park: Restaurant, semi-olympic swimming pool, Soccer field, gym, children's playground & Organic Orchards- Renewable Energy Systems- Sustainable Activities- Security & Exclusivity
The community (85,000sqm) will consist of 60 lots, ranging in size from four hundred to twelve hundred square meters. It will be surrounded by the Sanctuary Park, featuring a 1.2-kilometer perimeter trail, a playground integrated with nature, a semi-Olympic swimming pool, a sports gym, an organic garden and fruit orchards, a soccer field, and the 'Enramada del Conocimiento' (Knowledge Pergola), which will be the space where creativity, good times, and the curiosity to learn converge.
