Description

Beachfront Development Land in Cabarete - For Sale Beachfront Development Land in Cabarete for sale This is an investors dream. This prime piece of tourism development land in Cabarete creates numerous opportunities for the savvy investor. This is one of the last beach front lots available between Cabarete and Sosua where one can develop a gated community. There is nothing more sought after on the North coast than beachfront land in Cabarete! and there are now very few lots available that could be developed into a large beach front community or luxurious resort. There is one lot of 490,882m² with over 350 meters / 1150 feet of beach front making this the most unique properties for sale in Cabarete. Please contact us for more details about this prime piece of real estate.
