Description

A charming village property divided into two self contained apartments, sold together. This large, imposing property is in an elevated position above the road through the centre of Ano Korakiana. With its own parking spot, and a very pretty garden to the side, it has been beautifully renovated to a very high standard and is now two apartments. The smaller of the two apartments is on the ground floor, with a covered terrace at the front for outdoor sitting and dining. Inside the owner has blended modern and traditional features, with a brand new kitchen with all modern appliances, exposed stone walls and the old beams on the ceiling. There is also an energy fireplace in the sitting area. At the back is the large double bedroom with ensuite shower room, with access to the small garden at the back. The second apartment is slightly larger and on the top floor. Here there is a modern, fitted kitchen and dining area, with a separate sitting room with large panoramic window taking in the countryside views. There are two double bedrooms at the back of the house and a shower room. One of the bedrooms has access to a side balcony and steps down to the side of the property. Great care and attention has been paid to all aspects of this renovation - brand new roof, plumbing and electrics, double glazed windows with screens and heat pump central heating throughout. Ideal to be used as holiday lets, or to live in one and rent the other. Ano Korakiana is a picturesque village, not far from Corfu Town (20 minutes) and the beaches of NE coastline.
