Description

Rare opportunity to own a side-by-side duplex near Bloomfield's town center! This great income-producing property offers three finished levels of living space per unit, each boasting 3 bedrooms plus basement. #137 offers 1.5 baths while #139 has 2.5 bathrooms. Each unit offers hardwood floors and spacious light-filled rooms, central air, 2-car driveway and use of the generous yard. The property has been extensively upgraded since current owner purchased in 2022 with new roof, shutters, cement porch, HVAC system, electrical panel, and plumbing as well as modern kitchens and bathrooms. The basement includes reinforced mechanical systems, and W/D hookups. Exterior enhancements include reinforced back basement doors, fresh paint, and new mailboxes. Conveniently located with easy access to NYC train, bus, schools, and downtown shopping, this property is a fantastic investment opportunity with endless potential. Flood insurance is required.,
