Description

Hard to find 5 bedroom mobile home on little over a acre of land. Drive into this large private property. Walk up the front deck and welcome home. Living dining combo with tile floors throughout main areas. Fresh paint is ready for your custom touches. Open floor plan into the kitchen where cabinets have been updated cabinets and new countertops have been installed. Beyond that is the spacious master with large walk in closet and a attached full bath. As you walk back into kitchen there is bedroom #2 which could be a game room or a nursery. The other 3 bedrooms and bonus office space are through hallway and offers that split floor plan so many crave. As you go through the back door you will access the enclosed deck which leads out to a open deck. Don't let this one slip away, come see it it
