Description

Come bear witness to this Beautifully Renovated 2 Bedroom, 1 Bath Corner Cooperative Apartment located within the much sought after section of Woodside & just minutes from access to Manhattan! Situated on the 8th floor of the full service Parc Plaza Residency, you cannot help but to be impressed with the extensive views and flooding of natural light that enters into this corner unit. One is first welcomed into a large foyer area with a wall to wall closet, which overlooks an extensive Living Room, followed by a spacious Dining Area, which is located directly across from a well appointed kitchen providing for brand new Smart WIFI stainless steel appliances & ceiling height cabinetry to name but a few of its standout features. The sunny & spacious Master bedroom provides for an additional wall to wall closet with windows on two sides allowing for multiple exposures. The second bedroom is equally as large with ample closet space for the most discerning of buyers. The bathroom is both spacious & smartly arranged with a large vanity & equally sized LED light & anti fog bathroom mirror. Right adjacent to the bathroom, where your linen closet is located, you are also pleasantly surprised to find an additional conveniently placed walk-in closet with custom shelving & drawers for all of your storage needs. Just when you thought you had seen everything, you are introduced to the amenities of the remainder of the building: A elegantly appointed lobby setting to welcome you home, as well as a separate mailroom for the convenience of your every day package delivery & pick-up of which the Doorman ensures that both you & your packages are well taken care of. The convenience of a newly renovated card operated laundry room can also be found in the lower level. The availability of either covered, or open parking (waiting list) allows for you to pull right in. Don't delay, this extraordinary unit won't last long- we welcome you home!
