Description

This expansive and welcoming home in the coveted community of Brightwater offers elegance and style in a spacious floorplan. This 3610 SF property embodies every desired amenity including a main floor guest suite and a separate "work from home" office space. The Seaglass Plan 7 model, built by the Woodbridge Pacific Group, maintains classic and traditional architecture with updated and functional spaces throughout. The massive chef's kitchen flows to the great room and on through completely unobstructed stacked sliders to the California room and immaculate outdoor space, complete with a water feature, low maintenance hardscape, and lush foliage complementing the tranquil setting. Upstairs offers a grand primary retreat with a huge, finished closet and spa style en-suite. Three additional bedrooms, each with an attached private bath, and a loft space complete the 2nd floor. The serene sounds of nature and the ocean are just outside your door, with the hiking trails of the Bolsa Chica Wetlands minutes away. Excellent shops, restaurants, schools and world-renowned beaches are a short distance from this home. Enjoy community amenities including parks, walking paths, clubhouse, pools and spas.
