Description

Welcome to an exceptional two-family residence nestled in the prestigious neighborhood of Bayside! Step inside to unveil two distinct units, each boasting its own private entrance. The first floor showcases 2 bedrooms, 1 bath, an inviting eat-in kitchen, and a seamlessly integrated dining/living space. Ascend to the second floor to discover 3 bedrooms, 1 bath, another spacious dining/living area, and a meticulously designed eat-in kitchen. Adding to its allure, the second floor boasts a splendid feature—a private terrace accessed through sliding glass doors, offering a serene retreat for relaxation and entertainment. Recently renovated in 2020, this home radiates modern sophistication, boasting an array of upgrades including a brand-new roof, siding, windows, water tank, garage, and boiler. Its prime location epitomizes convenience, with renowned schools, verdant parks, upscale shopping destinations, and an eclectic array of dining options just a leisurely stroll away. For commuters, the property's proximity to public transportation hubs and major highways ensures seamless travel.
