## Description

Multiple Offers. Highest & Best due 5/5 5pm. Character and potential abound in this charming bungalow located on a triple lot in desirable San Marco. The kitchen has been nicely updated with quartz counter tops, stainless appliances, and a farmhouse sink. Dine in the open sunroom that overlooks the extra-large, fenced yard. The owner's suite has been remodeled with dual pedestal vanities and a spacious walk in shower. Storage will not be a problem here. The detached garage and separate building with electricity provide plenty of space. A relaxing, front porch and cedar shaker shutters cap off the exterior charm. Income potential is possible as the second lot is buildable and the extra building could become a workshop or apartment! Minutes from downtown, NAS and much more
