Description

Welcome to this beautifully updated colonial home, offering four bedrooms, two and a half baths, and a host of luxurious upgrades, including gorgeous hardwood flooring and a newly paved driveway. Upon entry, the high ceiling foyer sets a grand tone, leading to an inviting dining/living area flooded with natural light. The open floor plan seamlessly connects the living and dining areas to the gourmet kitchen, boasting granite countertops, a spacious island, new stainless steel appliances, and ample cabinetry. Whether hosting a casual meal or an extravagant dinner party, this kitchen is sure to impress. Adjacent, the family room provides a cozy retreat next to the fireplace. Step outside to the fenced backyard oasis, featuring a multi-level deck/patio and beautifully landscaped yard?an ideal space for relaxation or entertaining. The luxurious master suite offers a generously sized bedroom, walk-in closets, and a fully updated spa-like ensuite bathroom. Three additional bedrooms, each with hardwood floors and ample closet space, ensure comfort and privacy. Nestled in a highly desirable neighborhood near schools, parks, and shopping, this colonial home combines luxury with convenience for the ultimate living experience.
