Description

You'll love the privacy of the location and the spacious 4 bedroom 3 bath home with separate entry to large living area and 1 extra bedroom and bath. The flexible floor plan can be use for family room or for extended family, guests or rental income. Also another separate bedroom can be used by either upper or lower lower unit. Bright and breezy, convenient lower Round Top location is close to excellent schools, park, shopping and freeway access. Tropical rainforest view with birdsong helps you unwind after work and conceptualize the full potential of this classic 1940's Art Deco period home.
