Description

Nestled in the heart of Lee Acres, this charming 1-story 4 bdrm. home is truly a gem in the coveted North Valley. A picturesque 1/2 acre corner lot complete w/ditch access & Anderson Field open space just steps away, this home offers the perfect blend of serenity & convenience. 2 living areas exude warmth and comfort. Large family room features beautiful hardwood floors, plenty of windows that provide lots of natural light, & a cozy fireplace. The dining room offers ample space for hosting gatherings. Eat-in kitchen boasts many updates such as white cabinets, granite countertops, and stainless steel appliances. The main bath has also been updated, featuring a double vanity & stylish finishes. The backyard is a perfect oasis w/lush greenery, mature trees, hot tub and a spacious patio!
