## Description

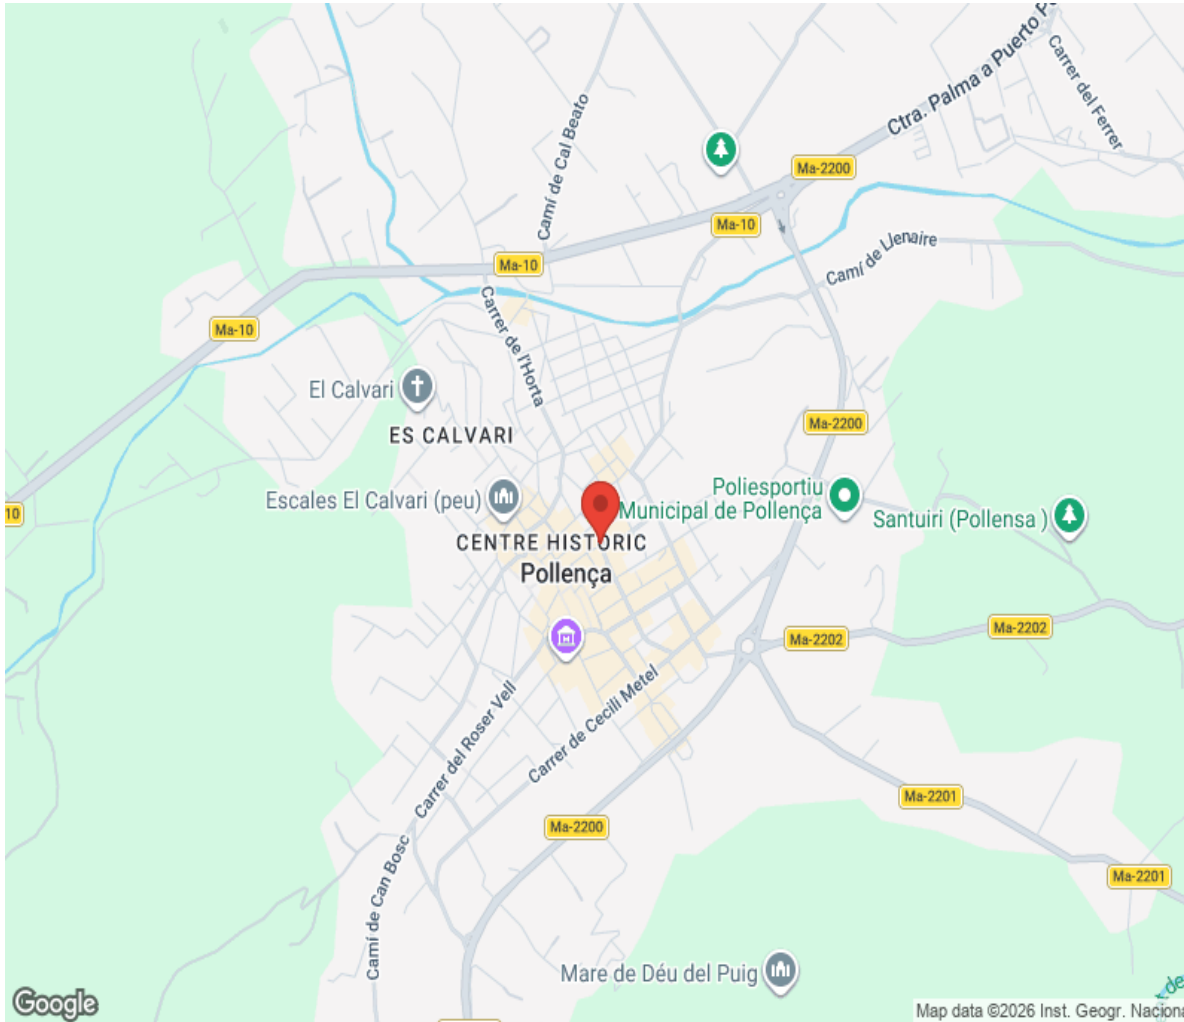

Spectacular frontline sea view penthouse apartment, with lift, located in one of the most sought after locations in Puerto Pollensa. Its prime location on the renowned "Pine Walk" in Puerto Pollensa offers not only breathtaking views of the Port but also easy access to the beach and nearby amenities like restaurants, cafes, and shops. Entering the apartment, you get a great homely feeling straight away as well as a natural light exposure. The layout is ideal for both comfort and functionality, with four bright bedrooms and four full bathrooms located at the back of the property ensuring ample space for residents and guests. The stunning open-plan kitchen seamlessly connects to the spacious living/dining area, creating a perfect flow for both everyday living and entertaining. And of course, the highlight must be the expansive terrace, providing an idyllic setting to soak in the panoramic sea views, whether it's hosting gatherings or simply unwinding in tranquillity. From this terrace, you will be able to see the awesome sunrise behind the famous Fortaleza, as facing East and South. Whilst the sea views and location are this property's best assets, the quality of the renovation of this apartment must be highlighted: The apartment is fully air conditioned (hot and cold), a top quality fitted kitchen, best quality double glazing windows, a double size covered parking space, as well as a storage room for beach toys and boards on the ground floor level, as well as a Utility/shower room also a few metres from the beach. Another utility/washing room in the apartment. Property available at SolMallorca Properties!
