Description

Rancho Santana is one of La Quinta's best kept secrets! This stunning hacienda-style home, built in 2006 and remodeled in 2012, perfectly blends luxury and comfort. Located in a quiet neighborhood near the prestigious Madison Club, PGA West golf course, and Empire Polo fields, this 4-bedroom, 3.5-bath residence is an entertainer's paradise. The expansive kitchen features a large granite island with seating, a spacious pantry, GE profile appliances, and a convenient bar area with a beverage refrigerator. The primary suite offers a cozy fireplace and a luxurious spa bathroom with a jet tub and oversized shower. Step through French doors to the serene backyard, complete with a beautiful pool and spa. Three bedrooms also have French doors leading to outdoor spaces, ideal for embracing the desert lifestyle. The backyard oasis invites relaxation with its pebble swimming pool, stone spillway, water feature, and tanning shelf. Entertain guests on the covered patio in the side courtyard or enjoy breathtaking sunset views from the rooftop deck with its own bar. An attached casita with private entry provides versatile space for guests or a home office. The 2012 remodel introduced three sets of French doors, decorative kitchen and master bathroom tile, and an enlarged granite kitchen island. The Rancho Santana HOA fosters a welcoming community atmosphere with monthly potluck gatherings in the local park. Enjoy morning walks with friendly neighbors while knowing that a proactive HOA board keeps residents well-informed. Whether as a year-round residence or a luxurious vacation retreat, this La Quinta gem epitomizes desert living. Don't miss the chance to make this stunning home yours!
